**Dear**

### **Design review feedback**

Thank you for requesting a design review for the following scheme:

- 

This report document is being used an interim approach until an on-line reporting system is set up by Active Travel England (ATE).

### **Design review outcome**

Based on the plans and supporting information you have submitted, ATE Inspectors have carried out a review using the latest design guidance and our Scheme Review and Design Assistance Tools to check the quality of the active travel scheme outlined above.

Following the review, we have identified  
that may affect the safety of active travel users or influence potential uptake.

## Next steps

Each identified policy conflict or critical issue is referenced in the design review report and we invite you to outline your approach to resolve or mitigate these where possible.

You can do this by completing the relevant sections of this report, marked 'Authority feedback', 'Authority response' and 'Authority comment' and returning this along with any evidence within 20 working days to: [atedesignrequests@activetravelengland.gov.uk](mailto:atedesignrequests@activetravelengland.gov.uk)

Please note you will need to download the [Adobe Reader Desktop Application](#) to ensure full functionality, web browser versions will not be compatible. We are unable to accept any other versions of this form.

Following receipt of the completed form, if required, an ATE Inspector may contact you to discuss and confirm the proposed resolutions.

Should you have any questions in the interim, please contact your ATE Regional Manager.

Yours sincerely,

# Design review report
